AA471 Oil Filter Media Cutter

Cut Oil Filter Media Safely and Efficiently

Introducing Tempest AA471 Media Cutter

Product Information: AA471 oil filter media cutter is now available. Every mechanic knows the importance of cutting the media open to spread the pleats for inspection of metal in the filter. In the past, this has been a difficult job to complete. Tempest's new AA471 provides a low cost, efficient and safe tool that every mechanic will want to put in their tool box.

Pricing: List Price \$37.00

Availability: Immediate availability - in stock at your authorized Tempest distributor.

Features & Benefits: Strong guard and non-retractable blade to secure the media and ensure an accurate cut. Low cost!
