7 Piece Tungsten bucking bar kit containing the complete set of tungsten bucking bars. The bars come in a custom foam lined case.
 P/N 12-05452

BUCKING BAR KEEPER

Protect Your Workpiece: The Bucking Bar Keeper is specifically designed to fit seamlessly onto a standard ATS 6007 Tungsten Bucking Bar. It acts as a reliable shield, preventing your bar from accidentally dropping onto your precious workpiece. Eliminate Riveting Woes: If you've ever riveted wing skins, you know the agony of mistakenly dropping your bar into critical areas like the leading edge or, worse, onto the spar. With the Bucking Bar Keeper, those worries are a thing of the past.P/N 12-06310

BUCKING BAR BUMPER ST

Say Goodbye to Taping: With our Bucking Bar Bumper, you can bid farewell to the time-consuming practice of taping your bucking bar. Achieve professional-grade rivets without the hassle. Perfect Rivets Every Time: Precision is paramount in riveting, and our guide is designed to help you set the perfect rivet every single time. No more rework or subpar results.

Compatible with Standard Tungsten Bucking Bars: The Bucking Bar Bumper is tailor-made to fit standard 1x4x5/8 tungsten bucking bars, specifically model ATS 6007. It's the perfect companion for your trusted tool.....P/N 12-06305

V-DRILL PORTABLE GUIDES

The V-Drill Guide is like a portable drill press for precision alignment. V-groove along the bottom of the guide allows for perpendicular alignment with all drill sizes on round parts and corners. Bottom surface is precision ground to assure stability and accurate perpendicular alignment on flat surfaces.

Drill guide is sized for drill bit sizes: 1/8" to 3/8", and made for 17 standard drill sizes (1/8 to 3/8 in 1/64 increments). Guides are made from special nickel alloyed steel that is heat treated for durability. Drill Straight - Every Time! Drill Guide comes with a handy plastic storage case and is 100% American Made Quality. **Features:** • Accurate - 90 degree V-groove along the bottom - automatically squares up the drill with the surface • Portable - Pocket size - Reusable plastic storage tube • Built to Last - Special nickel alloyed steel • High Quality - Natural steel finish - non-plated - Heat-treated for durability.
 1/8" to 3/8"P/N 12-02937
 3/8" to 1/2"P/N 12-03455

V-TAP GUIDES

The V-Tap Guides are for regular ground taps for hand tapping threads into pre-drilled holes. Works great on flat surfaces, round parts, and angled edges. Tap Straight - Every Time!
